

Ascnd AI Affiliate Agreement

1. Intro & Acceptance

By signing up for the Ascnd AI Affiliate Program, you agree to be bound by this Agreement. Ascnd Labs LLC ('we', 'us') provides this program, and you ('affiliate') are bound by the terms below.

2. Enrollment & Eligibility

Affiliates must be 18 or older, provide accurate information, and may not create duplicate accounts. We reserve the right to approve or reject any application.

3. Commission Structure

Affiliates earn 40% recurring commission on direct (L1) sales and 10% recurring on indirect (L2) sales. Qualified sales exclude refunds, chargebacks, and self-referrals. Payments are made monthly once a \$20 threshold is reached.

4. Affiliate Obligations

Affiliates must follow ethical promotion: no spam, bots, misleading claims, or unauthorized ads. All promotions must comply with FTC disclosure rules.

5. Prohibited Conduct

No pyramid/MLM tactics, adult/illegal content, hacking, cookie stuffing, or fraudulent behavior. Violations will result in termination.

6. Our Rights

We may update commission rates, terminate accounts for violations, and control the use of our branding. Affiliates may only use approved assets.

7. Payments

Payouts will be issued via PayPal/Stripe/bank transfer. Affiliates are responsible for their taxes. Refunded or fraudulent transactions will not be paid out.

8. Liability & Disclaimer

We are not liable for affiliates' actions or for lost profits if the program changes. Program is offered 'as-is' and may be discontinued at any time.

9. Termination

Either party may terminate this agreement at any time. Affiliates forfeit future commissions upon termination, except those already approved and cleared.

10. Legal

This agreement is governed by Michigan law. Disputes will be resolved via arbitration or small claims court. This document represents the entire affiliate agreement between us.
